**Re: United States v. Malcolm Reasonover, 23 CR 00141-VEC**  
Request for Extension of Time to Self-Surrender

Dear Judge Caproni:

I represent Mr. Malcolm Reasonover on the above captioned matter. Mr. Reasonover is scheduled to self-surrender to FCI Milan on December 4, 2024. I am writing with the consent of the Government to respectfully request a 4-month extension of Mr. Reasonover's self-surrender date for medical reasons.

Mr. Reasonover was recently diagnosed with a serious, life-threatening medical condition. The Court previously granted an extension of self-surrender from November 11, 2024 to December 4, 2024 to allow the Defense to secure treatment records from Mr. Reasonover's physician and confer with the Government.

We have obtained Mr. Reasonover's medical records, confirmed his diagnosis, and received the proposed treatment plan from his physician. I have conferred with AUSA Jun Xiang, who consents to a 4-month extension of Mr. Reasonover's self-surrender to permit Mr. Reasonover to undergo medical treatment.

Therefore, I respectfully seek that Mr. Reasonover's self-surrender date be extended from December 4, 2024 to April 4, 2025.

Thank you for your time and consideration of this request

Respectfully Submitted,

s/ Elena Fast
